Conditions at the festival are ‘rustic’. We do not have running water, electricity or a bank machine. Please leave your pets home. Be sure to bring your **water**, tarps, insect repellent, camping gear, **extension cords**, garbage cans, and all supplies and equipment required to have a comfortable and successful weekend. You will be responsible to remove all your garbage and leave the site in clean, original condition when you leave.

We expect about 2,500+ people pass to through the gates over the course of the weekend. Although vendors determine their own hours of operation, booths should remain open for the duration of the festival. All vehicles brought onsite will require a vendor pass.
